## MODERN MIRACLES.

The marvelous cures performed by the celebrated healer, Dr. McLennan, are attracting wide-spread attention with the result that his offices are thronged with suffering people, and it would seem from their experience that they do not seek relief from the great physician in vain. This is what they say:

Mr. Jacob Haysler, residing at 25 West Fifth South street, says: "It is marvelous what Dr. McLennan did for me. I was consumptive, and was more dead than alive when I consulted him, but to my great joy in less than three weeks I was able to get about, and now I am a well and sound man."

Mr. J. H. Kneeney, residing at 300 North Second street, corner Peach, an old and respected resident of this city, says: "Well, my experience with the doctor is gratifying. For years I suffered untold agony from dyspepsia, diarrhoea and lung trouble, together with a steady growing weakness. When I went to Dr. McLennan for treatment it was with difficulty that I got to his place of business. I was unable to get a night's rest on account of being tormented with the most awful dreams. Such hideous nightmares as I had makes me shudder to think of. Well, to be brief, I am now well after four weeks' treatment. The doctor cured me, but a very moderate fee. I would advise any one suffering and unable to get relief elsewhere to go and see him."

William H. Kneeney, esq., of Murray, Utah, now residing corner Fifth West and Second South, says: "My experience with McLennan has been like a romance with a miracle. I suffered with a stroke of paralysis three years ago, and immediately commenced doctoring for it. I first went to one, and then to another, and money would hold out, then rest and seek another doctor in this way, I saw and treated with no less than twelve doctors, all promising a sure cure. I spent hundreds of dollars, in fact, I bankrupted myself, but am ready to swear and prove that not a particle of help did I receive. I read in the papers once (I think it was a Boston paper) that Dr. McLennan had cured a prominent citizen of that place of the very same trouble I had, and I can truthfully say I did not believe him when he promised a complete cure in a few weeks; but you see, he was as good as his word. As you can see for yourself, I am as well as ever, and I consider it a miracle in my case."

L. E. Woodman, a gentleman 60 years of age, residing with his family on 24 South Second street, was in a bad fix from a gripe—a veritable physical wreck. He was weak, emaciated, and suffered great pain at the same time, expectorating a great deal, with a shortness of breath.

Go and see Mr. Woodman and learn his experience. If you are a doubter, it will surprise you. C. W. Collins, who has been a victim of the late gripe, he coughed himself to death, was not emaciated, expectorated great quantities of mucus, and was fast approaching that stage as to be very soon obliged to give up. He doctored a great deal without benefit, and at last he was cured by Dr. McLennan, and already feels like a different person; he counts but little the pain from which he suffered so much, he is entirely disappeared, and he feels encouraged and happy.

H. A. Bunker, mayor of Washington, Ia., now sojourning at the corner of Second East and Third South, says: "I have been under Dr. McLennan's treatment for two weeks. I have derived more real benefit than from any treatment I ever tried for my trouble, which is a cough, and I have no doubt but what he will do what he claims—cure me—judging from the experience of his other patients I meet in his office daily."

F. B. Fuller, representing the Lithographic company of Denver, Colo., is now at the Templeton. Go learn his experience with Dr. McLennan; also call on Mr. John Pierce, 601 East Third street, a young man who was afflicted with heart disease, and who also has the experience of Edward Griffith, of 44 Church street; also Mrs. Pickering, 228 East Second South street, and Mrs. Mary Owens, 30 Fifth South and Second East. When you are through consulting these go to Dr. McLennan's office, 24 West Second South street, and interview his many patients there. You are always welcome and it will cost you nothing. Please observe that Dr. McLennan presents to your notice no strange endorsements, only those living in your midst and whose truth or falsity you can confirm in ten minutes. They are all true statements of facts, as you may ascertain if you take the trouble to investigate. Dr. McLennan's system of practice is new, regular and scientific. His success in the past is a safe guide to what he is able to do what he has done for others he can do for you. He points with pride to his past record of twenty years, justifying the assertion that he is unequalled, unequalled, unequalled.
